PROFESSIONAL SUMMARY

Senior UI/UX Designer with 5+ years of experience designing AI-powered and data-driven digital products, including websites, mobile apps, dashboards, and SaaS platforms. Skilled in user research, user flows, wireframing, high-fidelity UI, and design systems using Figma, Photoshop, and Illustrator. Experienced in leading UI/UX teams, collaborating with developers, and managing social media content and creative strategies to deliver user-friendly, impactful digital experiences.

WORK EXPERIENCE

Mercury Sols July 2025 – Present
UI/UX Designer & Social Media Lead

- Designing websites, mobile apps and dashboards for client projects, from wireframes to final screens in Figma.
- Managing the company's social media pages, including planning posts and designing the creatives.
- Working with the development team during handoff and checking that the build matches the design.
- Making marketing graphics in Photoshop and Illustrator when needed.

Dynamic Online Technologies Pvt. Ltd. June 2025 – July 2025
